Dear families,

It is a pleasure for us to offer a wide range of activities this summer at our GIAS SUMMER CAMP. Your children will follow, enjoy and put into practice the teaching-learning process they already enjoy as part of year-round educational project of Gresol International-American School.

This summer, we will focus on six thematic weeks which connect several values of GIAS. This includes personal enrichment, emotional development, having fun and, most of all, passion and professionalism for what we do.

English will serve as the target language during these six weeks. The first week of camp starts on June 25 and it runs until the 2nd of August. The students will be adequately organized by age groups. This year at summer camp, your children will enter into the world of languages (English), sports, technology (robotics, engineering and coding), cooking, music, culture and adventure.

Enjoy your summertime with us, it will be FUN...tastic!

Benvolgudes famílies,

És un plaer per a nosaltres oferir-vos el ventall de possibilitats d'estiu en els nostres GIAS SUMMER CAMPS perquè els vostres fills segueixin el procés d'ensenyament-aprenentatge des del gaudi i la pràctica, manera de fer i de ser inherent en el projecte educatiu de tot l'any de Gresol International-American School.

Per aquest motiu us presentem sis setmanes temàtiques plenes d'enriquiment, emocions, aventures i, sobretot, passió i professionalitat per allò que fem.

Tenint l'anglès com a llengua vehicular, aquestes sis setmanes, que comencen el 25 de juny i acaben el 2 d'agost, estan adequadament programades per franges d'edat permetent als vostres fills i filles endinsar-se en el món de les llengües (l'anglès), de l'esport, de les tecnologies (robòtica, enginyeria i codificació), la cuina, la música, la cultura i l'aventura.

Gaudeix amb nosaltres el teu temps de lleure!

Queridas familias,

Es un placer para nosotros ofrecerles el abanico de posibilidades de verano en nuestros SUMMER CAMPS en GIAS para que sus hijos sigan el proceso de enseñanza-aprendizaje desde el disfrute y la práctica, modo de hacer y de ser inherente en el proyecto educativo de todo el año de Gresol International-American School.

Por este motivo os presentamos seis semanas temáticas llenas de enriquecimiento, emociones, aventuras y, sobre todo, pasión y profesionalidad por lo que hacemos.

Teniendo el inglés como lengua vehicular, estas seis semanas, que comienzan el 25 de junio y terminan el 2 de agosto, están adecuadamente programadas por franjas de edad permitiendo a sus hijos e hijas adentrarse en el mundo de las lenguas (del inglés), del deporte, de las tecnologías (robótica, ingeniería y codificación), la cocina, a música, la cultura y la aventura.

¡Disfruta con nosotros de tu tiempo libre!

Director Gresol International-American School
